**Do you love
gaming?**

**Do you enjoy being
part of a team?**

Joyrig is now hosting community nights playing games such as CSGO, Dota 2 and League of Legends. If you're not into the games we are playing on the night we also have consoles and places where you can hang out and chill while you wait for the next game. If you don't have your own PC, don't worry, we have you covered with one of our own.
